JUNE 9th '20

Dear Golfing Ladies,

So good to be back playing our Ladies Club Days again, hope you are all enjoying it, especially the 9-hole Ladies, filling the clubhouse with your laughter and smiley faces, thank you to your leader Shona,

With the start of our trophy events again I wanted to remind you all of the new dates for each event, can you please all mark them into your programme books for future reference. Jason is about to reload the new dates into the DOT.GOLF system, so please be patient if not all there yet. But he will work thru it as soon as he can.

A small reminder of the dates is listed below for you, to make it easier to plan the next couple of months. You will also note that we have changed the day for our Mid-Year Xmas event, it will now be held on the 23rd July, so another date to log in. I think we all deserve a Mid-Year celebration together Ladies so please support this day, more details to come thru re format etc. We have had lots of feedback about the “Wet Fun Games Day” we had last time due to rain. Everybody welcome, and Anita is booked in to cater for another one of her delicious meals for us.

Here is our new playing programme for June and July 1920. Please note the changes in your books.
